

# GRAPHIC DESIGN PRICE SHEET

**Screen printed items require vector art: .ai or .eps (we prefer .ai)**

**Embroidered items require a high resolution image**

If you don't have vector art....

We love the opportunity to bring your vision to life. Our designers take a detailed approach to making sure we provide a design that fits your needs and makes you stand out. It's important for us to collaborate with our customers to capture a clear view of their vision and ultimate goal. This collaboration takes time and creativity. Our designers are not mind readers so please provide as many details as possible, reference images, sketches (even if they are stick figures), specific colors, fonts and as much information as possible to give them direction. If they understand your concept they can run with it and create magic! Our collective approach insures we create artwork that is feasible and realistic for merchandise branding. All mediums require different files and different processes. Our designers will provide high quality art for all applications.

**Design Fee: \$85/hour**

(We offer one free hour of graphic design for any order over 100 pieces)
